Certificate of Disposal

No. 114418

Customer Manifest: 99280 Document: I2655 destroyed as of JUNE 25, 1999

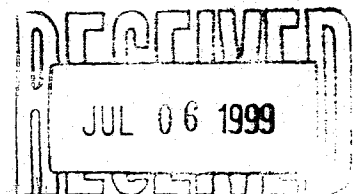

This is to certify that the hazardous material manifested to Safety-Kleen on the above Safety-Kleen Aragonite Document Number was disposed of by incineration in accordance with 40 CFR 761 (and 40 CFR 264 if applicable) as of the above certification date.

Attached is a detailed report which identifies the date(s) of disposal. Residue from this waste has been disposed of at an approved and permitted Hazardous Waste Landfill.

Under civil and criminal penalties of law for the making or submission of false or fraudulent statements or representations (18 U.S.C. 1001 and 15 U.S.C. 2615), I certify that the information contained in or accompanying this document is true, accurate, and complete. As to the identified section(s) of this document for which I cannot personally verify truth and accuracy, I certify as the company official having supervisory responsibility, for the persons who, acting under my direct instructions, made the verification that this information is true, accurate, and complete.
